

# Consent for Participating in Coaching Activities in a Traffic Free Environment

## Parental/Guardian Consent

I, being the parent/guardian of ..... have read the information on this form and the following notes, and consent to my child taking part in the coaching sessions conducted in a traffic-free environment. I understand and agree that my son/daughter participates in coaching sessions under the instruction of British Cycling coaches entirely at his/her own risk. I have considered the nature of such sessions and have discussed them with my son/daughter. I am satisfied that my son/daughter is sufficiently responsible and competent to assume full and entire responsibility for his/her own safety under the supervision of a British Cycling coach.

### Notes

- You are giving consent for your child to participate in coaching sessions conducted in a traffic-free environment (eg not on the public highway). However, you should note that in some instances it might be necessary for the coach to move riders from one location to another, which may require limited use of the public highway. In these instances the riders will be under the direct supervision of the coach and it will not be part of a coaching activity. No coaching activities will be conducted on the public highway.
- It is part of the British Cycling Code of Conduct to ensure that reasonable steps are taken to establish a safe environment where young riders can enjoy developing their cycling skills. Parents/guardians are welcome to stay and watch the session but this is not compulsory.
- Young riders are expected to remain in the session from beginning to end, unless they have to leave early. If the rider has to leave early, or is being collected by someone other than the parent/guardian, the parent/guardian must advise the coach of the details of the arrangement, including who will be collecting the rider.
- Any young riders who persistently misbehave or put others in danger will be asked to leave the sessions and will not be allowed to attend in future.
- It is the parent's/guardian's responsibility to ensure that his/her child's bike is in a safe condition to ride. All riders must wear a cycling helmet at all times during the coaching sessions.

## Medical and Specific Needs

Please give details of any medical or health conditions that might affect your participation in cycling and what support/modifications are needed

Please list any medications you take on a regular basis

Please give details of any specific needs that the coach should be aware of, and what support/modifications are needed

If you have any concerns about your child participating in any form of physical activity, please consult your GP before giving permission for your child to take part in the coaching sessions.
