Parent/Guardian Consent

I, being the parent/guardian of.....have read the information on this form and following notes, and consent to my child taking part in the coaching sessions conducted in a traffic-free environment. I understand and agree that my child participates in coaching sessions and off-road outrides under the instruction and guidance of British Cycling coaches entirely at his/her own risk. I have considered the nature of such sessions and rides and have discussed them with my child. I am satisfied that my child is sufficiently responsible and competent to assume full and entire responsibility for his/her own safety under the supervision of a British Cycling qualified coach.

1. You are giving consent for your child to participate in coaching and outside sessions in a traffic-free environment (e.g. not on the public highway). However, you should note that in some instances it might be necessary for the coach to move riders from one location to another, which may require limited and controlled access to the public highway. In these instances, the riders will be under the direct supervision of the coach and it will not be part of a coaching activity. No coaching activities will be conducted on the public highway.
2. It is part of the British Cycling Code of Conduct and BFCC policy to ensure that reasonable steps are taken to establish a safe environment where young riders can enjoy developing their skills. Any abuse towards coach's or other riders will not be tolerated and the rider/parent/guardian will be asked to leave and not permitted to attend in future.
5. It is the parent's/guardian's responsibility to ensure that his or her child's bike, clothing & helmet are appropriate and in a safe condition to ride at all times. All rides **MUST** wear a helmet and their bikes fitted with **FLAT** style pedals, not clip-in pedals, during coaching sessions. In Case of Emergency (ICE) card must be available to coach.
